Local Credit Unions that belong to the CO-OP resulting in sur-charge free use by our members is Americu FCU and Northern FCU.

If the need should arise to access money from your account, and there are no CO-OP ATMs available, look for ATMs in convenience stores or places like Kinney Drugs, as these ATMs often impose smaller fees.

As of October 6, our ATM program with Key Bank will no longer be available. For the last several years, we have been able to pass on to our members, surcharge-free access to all Key Bank ATMs in New York State.

Key Bank is ending this program.

Therefore, as of October 6, 2010, any utilization of Key Bank ATMs will result in a surcharge of \$3.00.

The good news is that we still belong to the CO-OP ATM network, and all ATMs that display the CO-OP logo are still surcharge-free.
